***Thank you, for your interest in the
2008 Awards Program of the
Concrete Industry Board***

Submissions consist of two parts:

1. **A 24" x 30" presentation board** laid out as described in the attached diagram. The boards for winning projects will be displayed at the awards dinner. Please prepare text as follows: a description of the project in general, positioned in the top text block; a 500 word maximum description of the concrete work, positioned in the lower text block.
2. **A three-ring binder** with project name on the cover that contains the following:
 - **Twenty (20) copies** of the written material that is contained on the presentation board. Please collate if written material is more than one page, and insert in the binder. (3 hole punched and stapled)
 - **Two copies** of Data Sheets 1 through 6 (enclosed). *Insert "NONE"* for any categories for which there was no supplier. (3 hole punched and stapled) Please coordinate with other team members to ensure only one submission is made per project.
 - One set of photographic prints (laser prints are acceptable they can be the same photos that appear on the presentation board). Attach a caption to the back of each photo that includes the name of the submitting company or agency and a description of the photo.
 - Additional materials that will contribute to an understanding of the project (optional).
 - **One CD with all written material and all photos for review by Awards Jury**
